About the event

Sponsors and their generous support throughout the years have enabled Bide Awhile to continue their mission to rescue and care for unwanted and abandoned animals, place animals in suitable and caring homes and provide an environment free from the threat of unwarranted euthanasia.

In 2011 Bide Awhile is partnering with PMI Nova Scotia and will be hosting their 7th Annual Golfing for Critters at Sherwood Golf & Country Club. This tournament will expose your business to over 100 professionals and provide recognition to all PMI members and friends. We believe that both human and animal lives are enhanced when they come together, and what a better way to achieve this goal than getting together for a great day of golf.

Would you please review this package of Bide Awhile Golfing for Critters sponsorship options and consider participating?
